GOALS

My 2024 goals were to promote intentional sisterly relations; enhance the INC process; serve as a SME on the nominating process; encourage undergraduates to seek leadership opportunities; and ensure MAR chapters are embracing nominations earlier for increased soror engagement.

- Developed the framework to establish a robust inward process that produces more impactful outcomes and enhances chapter operations.

PROOF Through Engagement – Motivating, Inspiring and Coaching

- Assisted with the update of the INC manual, So You Want To Run For Office, published April 2025.
- Facilitated Chapter workshops, retreats, and officers' trainings, serving over 5,000+ Sorors.
- Delivered Keynote Address during four Chapter Founders' Day celebrations.
- Served as Keynote Speaker for five Membership Experience luncheons.
- Presented the tenets of the Nominating process with the International Nominating Committee at the AKA® Leadership Conference 2025, serving over 1500+ Sorors.
- Encouraged MAR Undergraduates to embrace the full AKA® experience for future growth, collaboration, connection, and elevation.
- Served as a speaker at the MAR Leadership Institute Conference / Leadership Conference 2025, reaching over 150+ Sorors.
- Presented Leadership tips at the 72nd MARC Undergraduate Workshop ·2025, serving 500+ Sorors.
- Inspired conversations with MAR Undergraduates on "What is AKA® Leadership" at the Undergraduate Leadership Summit 2024 (400+ Sorors), which increased MAR participation in Leadership Fellows.
- Recognized as a Subject Matter Expert (SME) for Election processes in the state of North Carolina and in Alpha Kappa Alpha Sorority, Inc.®

Another term in office will provide me the opportunity to build on these accomplishments, elevate them to another level, and ultimately deliver a broader, more meaningful impact for the Mid-Atlantic Region.
