Always have a **SEAT**

"It has been often said that success happens when preparation meets opportunity. My experience as a Leadership Fellow was my first opportunity to engage with Alpha Kappa Alpha Leaders, including then Supreme Basileus, Soror Mary Shy Scott. I saw up close and personal the talent, skills, and preparation needed to excel at the highest levels of leadership in this premier organization comprised of phenomenal women across the globe.

What I saw then—authenticity, accessibility, sisterliness, kindness, transparency, and wisdom—are still among the innate qualities demonstrated by our most dynamic leaders. I am grateful for the opportunities to sit at the table and learn from Alpha Kappa Alpha's best. The years I have spent in leadership have been the preparation needed to offer you my best, for such a time as this. Sorors, if elected First Supreme Anti-Basileus, I will be the leader that always has room for you at the table."

CHELLE MARIE

ALLOW ME TO REINTRODUCE MYSELF

Dear Sorors:

With reverence for our heritage, a pulse on our present, and eye on the future, if elected your First Supreme Anti-Basileus, I will lead from a soror centered, purpose-driven perspective that:

- Models Alpha Kappa Alpha's culture through sisterliness, scholarship, and service;
- Prioritizes membership through targeted engagement, technology upgrades, and enhanced opportunities to lead and serve;
- Brings our purpose to life by prioritizing issues that matter most to our members and communities through progressive and strategic action that advances racial and gender equity so women and girls of color can thrive.

My leadership style is rooted deeply within in our ***culture, purpose, and principles***

High Ethical and Moral Standards
Accountability
Transparency
Trust
Respect
Responsiveness
Progressive Thought
Sisterly Love and Unity

You see, I believe our best achievements lie before us as we move forward with a second-century synergy fostered through environments where every soror is valued and sisterly love leads the way.

At such a time as this, I understand that Alpha Kappa Alpha's leaders must remain authentic to our sorority's core values, culture, and guiding mission that have brought us thus far. Sorors, I am that leader. In addition to authenticity, I also bring sisterliness, innovation, vision, resourcefulness, creativity, technological competence, and a deep commitment to the culture, so that our sisterhood flourishes in our collective power, remaining relevant for generations yet to come.

DIRECTORATE SERVICE UNDER THREE ADMINISTRATIONS

In addition to the insight gained from high-level work in varying capacities with EACH Supreme Basileus since my initiation thirty years ago, the institutional knowledge gained from service as a member of the Directorate under the administrations of three Supreme Basilei, particularly has prepared me to confront critical, complex challenges—particularly as we progress in this "postpandemic" world—as well as engage, empower, and energize our diverse and vibrant membership. For me, having a seat at the table has meant critical engagement with the development of policies and procedures designed to protect our beloved sisterhood collectively as well as each of you, my sorors whom I hold dear. Since 2012, when first seated to the Directorate, I have whole-heartedly dedicated my time and talent around such critical areas as Strategic Planning, Programmatic Impact, Political/Civic Mobilization, Social Justice Engagement, Sisterly Relations, Leadership Development, Crisis Communication, Fund Development, Foundation Growth and Sustainability, Global Brand Management, Public Relations, Legal Affairs, and Risk Mitigation, to name just some of the areas I have touched. Consider the knowledge that comes from decades of Alpha Kappa Alpha service at the highest level and the importance of these skill sets as I see them as ESSENTIAL to successful service as your First Supreme Anti-Basileus.

The POWER of SISTERHOOD

TAU RHO OMEGA

Our chapter has always been fortunate to have Soror Chelle who comes ready to work, no matter how great or small the task! From committee member and committee chair to chapter, regional, and international officer, she always commits fully and implements with Excellence!

Dear Soror Walker-Harrison and Members of the International Nominating Committee:

Soror Chelle Luper Wilson is a visionary and exceptional leader. Since her initiation thirty years ago, Soror Wilson has **lived** and **embodied** our beloved Sorority's principles, especially to be of "Service to All Mankind." These are a few reasons why the sorors of Tau Rho Omega Chapter are honored to **endorse** Soror Chelle Luper Wilson as a **candidate** for the position of First Supreme Anti-Basileus. A vote was taken at the regularly scheduled chapter meeting, held on May 15, 2021, where Soror Wilson received an overwhelmingly enthusiastic favorable vote.

Soror Wilson has **SERVED** on the Directorate for **EIGHT** (8) years, under **THREE** (3) different administrations, and in **TWO** (2) different Directorate positions. Since her initiation, Soror Wilson has made it her mission to **learn** from the best of the best of Alpha Kappa Alpha's esteemed leadership. Her **INSTITUTIONAL KNOWLEDGE**, intellect, and leadership and consensus building skills are *unmatched*. Soror Wilson is both **qualified** and **prepared** to continue serving our illustrious sisterhood as Alpha Kappa Alpha's next First Supreme Anti-Basileus.

CHAPTER

As you know, Soror Wilson is our Supreme Grammateus and has represented us with distinction, grace, and exceptional competence. As her chapter members, we are not surprised as her diverse skillset, attention to detail, creativity, and leadership ability are legendary. In addition to her role as Supreme Grammateus, Soror Chelle is also Secretary to the Alpha Kappa Alpha Educational Advancement Foundation and Housing Foundation. With a commitment to organizational effectiveness, fiduciary responsibility, and strong governance ethic, she has served in these roles with integrity, accountability, timeliness, transparency, and competence.

As the 24th Regional Director of the Sensational South Central Region, her innovative style, positive and upbeat personality, coupled with her love and dedication to Alpha Kappa Alpha Sorority, Incorporated®, made a positive and lasting mark upon the South Central Region. During her tenure the advances made in Technology, Communication, Social Media, Conference Planning, Sisterly Relations, and Community Partnerships, raised the bar and ignited active engagement among the membership in the region. The region fully embraced two different administration initiatives during her tenure as South Central Regional Director—Global Leadership Through Timeless Service under 28th Supreme Basileus, Carolyn House Stewart, and Launching New Dimensions of Service under 29th Supreme Basileus Dorothy Buckhanan Wilson. At each Boule and Leadership Seminar during her term of service, South Central Region Chapters were recognized and awarded in every category! Additionally, in 2013, South Central was awarded for being the top EAF supporters in both the large region and overall region categories. The Chelle Luper Wilson Endowed EAF Scholarship, NOLA Scholars Fellowship, and the South Central Region Chelle Luper Wilson Culture and Merit Award were all initiated and implemented during her term of service.

Not only was Soror Wilson a dynamic leader of the South Central Region, but she has also been an inspiring and loved leader in Tau Rho Omega. Our chapter has been fortunate to have Soror Chelle who came in ready to do whatever needed to be done, no matter how great or small the task! From committee

member and committee chair to chapter officer, Soror Wilson commits fully and implements with excellence. She has worked hard on nearly every committee in the chapter and held numerous offices as well. Soror Chelle humbly and diligently served two terms as Tau Rho Omega Chapter Basileus (2006-2007) and received the Basileus of the Year Award at the 2007 South Central Regional Conference

Under her leadership, Tau Rho Omega received numerous awards and accolades, many for the first time in our chapter's history—including the highest chapter recognition levels in Membership, Standards, EAF, Conference Attendance, and Program; including an international award presented at the 2006 Boule for Program Excellence!

Initiated in the Alpha Zeta Chapter, at her beloved HBCU, Langston University (Langston, Oklahoma), Soror Chelle served as Ivy Leaf Reporter and was a two-term Basileus of her Undergraduate chapter. A 1993 Leadership Fellow, she was honored to give back and accepted the call from Soror Norma Solomon White, the 25th Supreme Basileus, who invited her back to serve as a Leadership Fellows Mentor and Committee Member (1998-2002) and 2001 Program Coordinator.

Soror Chelle realizes and understands the importance of our Undergraduate Sorors and loves to see them develop and flourish as leaders. As Regional Director, she ensured undergraduates would have opportunities to lead and serve through regional appointments and placement throughout her conference programs. Soror Chelle believes that while some leaders may be born, development in Alpha Kappa Alpha can make them great!

She is the very loving wife to Dr. Marc Wilson (Life member of Omega Psi Phi Fraternity, Inc.) and the mother of four amazing children. Soror Chelle is truly a phenomenal woman; she held major chapter offices with a newborn and toddler in tow. In 2013, she gave birth to her son William, the week after hosting her first conference as South Central Regional Director. For more than twenty years, we have witnessed up close and personal, the support that her family gives her, and we believe they love Alpha Kappa Alpha almost as much as Soror Chelle does.

THE POWER OF SISTERHOOD

The **SORORS** of the Tau Rho Omega Chapter truly *love* and **SUPPORT** Soror Chelle Luper Wilson. Her *warm smile, genuine spirit* and *authentic love* for Alpha Kappa Alpha truly show in everything she does. We know that this **SERVANT LEADER** is a **PHENOMENAL CANDIDATE** and would represent the office of First Supreme Anti-Basileus with principle, purpose, dedication, sisterliness, and love. It is without hesitation or reservation that the Tau Rho Omega Chapter **ENDORSES** Soror Chelle Luper Wilson's nomination for the office of First Supreme Anti-Basileus!

To my mind, we should all
be too busy for petty
things.
Too big for smallness.
Too intelligent not to see
what happens when we stoop
to them.

HISTORIAN ♣ ENTREPRENEUR COMMUNITY ADVOCATE

A sought after motivational speaker, content expert, panelist, and workshop facilitator, Soror Chelle loves exploring the possibilities of what can happen when we harness our collective power to create the change we want to see in the world.

"I strongly believe that she who learns, must lead; and she who leads must never cease to educate others. It is our responsibility to cultivate leaders who can dream big and boldly deliver."

Soror Chelle

Soror Chelle, a native of Oklahoma City, Oklahoma and Summa Cum Laude graduate of HBCU Langston University, where she received her Bachelor of Arts Degree in Broadcast Journalism. She also holds an M.A. in Multicultural Women's & Gender Studies, with research emphasis in African and African American Women's histories, from Texas Woman's University in Denton, Texas, where she is presently continuing her studies as a second-year doctoral student in the Department of Language, Culture, and Gender.

WIFE ♣ MOTHER ♣ DAUGHTER

I have always believed us to be the type of women we say we are, so there is absolutely no better environment for my children to grow up around. Every day they see my phenomenal sorors thriving as Doctors, Educators, Corporate Executives, CEOs, University Presidents, Attorneys, Entrepreneurs, Community Leaders, NY Times Best Selling Authors, Astronauts, and even the Vice-President of the United States. Their exposure to the women of Alpha Kappa Alpha has given them a glimpse that sadly so many children, especially those of color, don't often see, and that is an up close look at what is possible for their lives and because of that, I wouldn't take nothing for my journey.

Soror Chelle is happily married to Honey-do Dr. Marc A. Wilson, a Life Member of Omega Psi Phi Fraternity, Inc. and they are the proud parents of three daughters Sasha, Sydney, and Saige AND favorite son William.
