Chapter Endorsement

Alpha Kappa Alpha Sorority, Incorporated®

ETA OMEGA OMEGA

October 22, 2021

Dear Soror Armisha Walker-Harrison,
Chairman of the International Nominating Committee:

The sorors of Eta Omega Omega Chapter are pleased to present Soror Joy Elaine Daley, International Regional Director, as a potential candidate for the office of First Supreme Anti-Basileus.

Soror Daley was initiated into the Xi Xi chapter at Lehman College in 1985. She later served as the 10th President of Eta Omega Omega Chapter. Under her leadership, the chapter began the longest running service project, "AKATEEN Rites of Passage for Girls". She also founded the chapter's not-for-profit organization, Wheeler, Wilson and Johnson Community Projects, Incorporated and served as its first President.

On the regional level, Ms. Daley served as Sergeant-at-Arms, Assistant Parliamentarian, Awards Committee Co-Chairman, Logistics Chairman and Regional Conference Co-chairman. She also served as the Chairman of the North Atlantic Regions Nominating Committee and was appointed Chairman of the International Nomination Committee. She was elected the 30th North Atlantic Regional Director in 2002 leading the region into the new millennium with a strong emphasis on being timely, accountable and fiscally responsible. Soror Joy created the first Regional Treasury in the history of Alpha Kappa Alpha Sorority, Incorporated to ensure excess funds were used to subsidize regional expenditures and avoid assessing members.

Currently, Ms. Daley serves as the 9th International Regional Director, supervising all of the sorority's chapters outside of continental USA. Throughout the pandemic, Soror Joy created the Global Pen Pal program to keep international members engaged and offer an opportunity for international members to know sorors statewide. She is also the Chairman for the Pandemic Task Force.

Eta Omega Omega Chapter supports the nomination of Soror Joy Elaine Daley for First Supreme Anti-Basileus. A vote was taken at our regular sorority meeting held on June 11, 2021, and Soror Joy received a favorable vote.

Sincerely,

Choose Dedication and Love for ALPHA KAPPA ALPHA

January 2022

My Dear Sorors:

As a uniquely qualified and experienced soror, I am seeking your vote for the position of First Supreme Anti-Basileus of Alpha Kappa Alpha Sorority, Incorporated®. I have acquired the skills, expertise and knowledge of the sorority over the past thirty-seven years to make me an effective First Supreme Anti-Basileus.

I have served four years as the North Atlantic Regional Director with the highest level of fiscal responsibility, integrity, fairness and objectivity, as many of you can attest. I created the first Regional Treasury in the history of Alpha Kappa Alpha Sorority, Incorporated® with one hundred twenty-six thousand dollars to be used for regional expenses and eliminated assessing sorors for regional expenditures during my tenure and transferred over a hundred thousand dollars to my successor at the end of my term.

Currently serving as the International Regional Director, I initiated a Global Pen Pal Program to connect sorors and chapters in the International Region with sorors and chapters in the continental USA. Many chapters across the sorority are engaged in the program and have found it to be rewarding and enriching as they collaborate in service projects to be more impactful in their communities. I am bold and courageous; not afraid to stand up for what is right and of good report; will ask no more of you than I will give of myself. I will be your voice to ensure that you are treated fairly and respectfully. I will examine and monitor spending and assessment patterns at all levels of the sorority in order to make activities more affordable for all members. Additionally, I will address the “mean girls syndrome” that is rearing its ugly head in our beloved sorority in order to obliterate it.

Sorors, with my demonstrated experience and proven track record of efficient and effective leadership ability, I humbly ask for your vote to be the next First Supreme Anti-Basileus of our illustrious sorority. A vote for **JOY**, is a choice for integrity, honesty, fairness, sisterliness and inclusiveness.

Sisterly yours,

Joy Elaine Daley

Choose a Caring and Giving Visionary

If elected, I will work diligently to advance and achieve three strategic goals and three subordinate goals:

Join new service programs with some that were impactful in prior administrations to provide continuity and increase the sorority's footprint of service to underserved communities locally and globally. This will strengthen relationships with community partners and make our programs of service more impactful.

Organize a "Financial Incentive Program" to assist all sorors in meeting their financial obligation to the sorority so they can remain life-long active members. And continue to monitor and strengthen the sorority's internal controls to safeguard and protect the organization's assets.

Vield and grow opportunities for leadership roles at all sorority levels, sharpen soror's knowledge of sorority operations and engage the membership in sisterly acts of kindness that epitomize the fundamental principles of service and sisterhood on which the sorority was founded for undergraduates and graduates. As well as, institute a strong Leadership Development Program for Undergraduate and Graduate sorors to provide opportunities for a balance of new and seasoned sorors to serve on International Committees

Advance Alpha Kappa Alpha's position as a world leader in the fight for social justice and inspire sorors to become recognized leaders in the struggle for social justice in their local community.

Maintain an open line of communication with all sorors by being accessible and personable in responding honestly to all inquiries. As members, you have the right to know everything that is happening with and in the organization.

Work harmoniously and collaboratively with the Supreme Basileus to advance the program initiatives of the current administration.
